Vintage	2020: Winter was abnormally warm and dry. Only the large number of squalls and extratropical cyclones brought rain. Gloria, Ciara, Dennis, Jorge, etc. In a very warm winter and early spring, bud break began early. Until the first half of June, the heat and absence of precipitation were the general norm, then the rain and not very high temperatures caused many cryptogamic problems. Downy mildew in flowering, black root, etc. The fairly frequent rains until mid-August caused some botrytis problems in the worst oriented plots. In the best exposed ones, they advanced maturation and allowed them to withstand high acidity levels. A warm and dry September allowed high maturation with very muscular and dense wines. We had to work to not lose finesse and elegance. In the case of the reds, it is a year of very sweet tannins, full maturation in the whites and fresh.										
Winemaking	Selection in field. Hand Harvest into 18 kg plastic-crates. Sorting table is used. Alcoholic fermentation in wood and stainless-steel truncated tanks under controlled temperature. Salvage yeast is used. Malolactic fermentation in barrels. It's aged for 20 months in French 500 l oak barrels. Bottled in fruit day in July 2024. Wine rounds in bottle at least for 12 months. VEGAN AND VEGETARIAN FRIENDLY

Tasting Notes	Deep ruby. Oak-spiced dark berries and licorice on the fragrant nose and in the mouth. Shows very good depth and focus, with a vanilla quality adding a sweet touch. Clings with spicy tenacity on the finish, framed by supple tannins.
