Vintage	2021: A rare summer, as it was not very hot and it rained almost sporadically throughout the cycle, giving rise to many fungal problems; that in our case we had been careful to protect the vines against diseases, being proactive and constantly monitoring the vines. A very abundant harvest was coming: many clusters had been born and they were (until August 31) very healthy. On August 31 around 8:00 p.m. in 5 minutes of hail, we lost a large part of the harvest. It was necessary to work very hard in the vineyards the following weeks and during the harvest in the winery to make a scrupulous selection of clusters. In this way, to the detriment of quantity, we have managed to produce wines of a similar quality to previous years. The characteristics of the vintage offer wines with a different profile from those immediately before: very Atlantic, fresh wines. With less degree and volume than other years, with good acidity and very aromatic. They have fruit, but they are much more floral, aromatic herbs, in the mouth they have less weight, although the Treixadura profile continues to dominate, whose characteristic volume is smaller this year. But there is a very good acidity, clean, which end up in length.

Tasting Notes: Quite golden in color with wonderful reflections of light - very lively color. The aromatics on this wine are super clean and powerful with lemon curd, apricot, white flowers and seashells. Some wintergreen mint/fennel/cloves note. Ripe melon and sweet lemon. Lots of body. Very dense, needs time. In the mouth notes of apricot, white peach, and peche de vigne. Just picked crunchy peach notes. Lots of zing, some tangerine, blood orange notes. Some lemon and grapefruit peel. Very persistent. Incredible relative value compared to other white wine of this ilk.
